# UNLIMITED GOD

We are happy to report that we have started slowly returning to the road and have allowed Jacob to begin preaching after a year of quarantine. At the beginning of May during our first trip out in Grafton, Ohio Jacob proudly exclaimed, “In the words of that *great philosopher* Si Robertson ‘I’m back Jack’!”

## EXCITING NEWS!!!

Please be in prayer as we are in the process of getting Jacob’s second book published and printed. It can be costly, but we know He is the UNLIMITED GOD! Our hopes are to have it available for purchase soon!

Although we have started to travel again, as of right now, we will have to limit the amount of services in which Jacob preaches. During our May trip Jacob preached with great power and authority in Jesus Christ. However, we noticed he tired quickly. Whether this is because of the year off from preaching or simply his new normal, we have to be mindful of his health and strength as we move forward.

Howbeit, we know that even though trials, circumstances and sometimes our own bodies may hinder our calendar plans, we serve a Great God whom under no circumstances is ever hindered. For He is the UNLIMITED GOD!!! There is nothing our God cannot do! He is still the same, never changing and never growing weary!!! Hallelujah!

### **Ephesians 3:20 (KJV)**

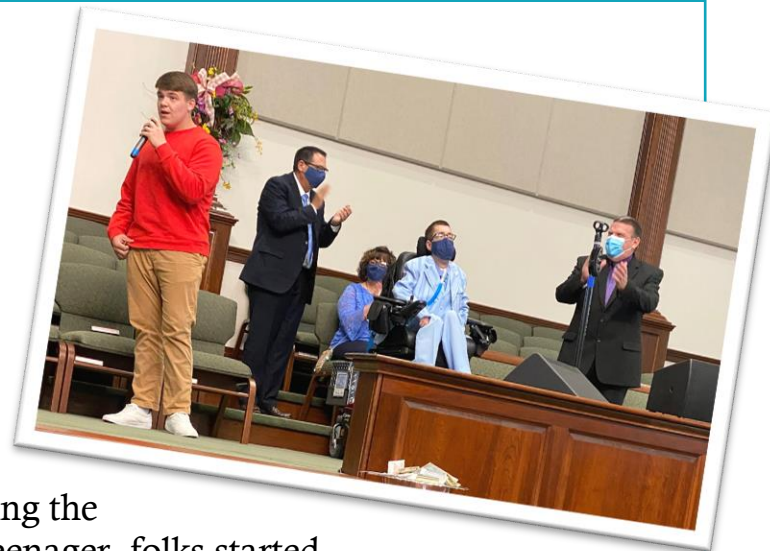

<sup>20</sup> Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

We would like to apologize to those churches in which we will not be able to attend this year. We love each and every one of you and as Paul wrote to the church in Corinth, “But I will come to you shortly, if the Lord will...” It is our prayer to be able to do our best to fulfill the services we missed during 2020 in 2022. We ask that you please continue to keep us in your prayers as we seek the Lord’s guidance in our travels.

# PRAISE REPORT

During our May trip we experienced a mighty move of God. In every service, although masked up, we felt God's Holy Presence each and every time. Jacob's wife, Jessica, would say, "Buckle up, because a years worth of preaching may just come out in this one service." Each church we attended was so gracious in giving an extra love offering to help us as we start back out.

While attending Rubyville Community Church the Holy Spirit moved on the congregation during the worship hour. Starting with the example of a teenager, folks started coming up and giving Joe a "hallelujah handshake" placing money in his hand. This went on for the majority of the service as God's people lined up to give. We felt blessed beyond measure not only financially but also spiritually. Our cup truly felt like it was running over! Joe never told anyone but we needed to replace four ten-year-old tires on the bus. At the end of that single service our need was completely met and the tires were paid for. Upon purchasing the tires another man who watched that particular Rubyville service online wanted to bless our ministry as well and gave us the tires for free. All we had to do was pay for the installation fee. When the contracted technician came to install the tires, upon hearing the gospel and meeting Jacob, he was moved to tears and gave back part of the money. Jacob gave him a signed book and said, "God bless you". We don't know what ever happened to that man, but because of the obedience of God's people we were able to be in the right spot to witness to this technician and plant the seed of Salvation. He is the UNLIMITED GOD!!!
