ALL THINGS NEW

Happy New Year!

The word “new” according to Webster’s dictionary

1. having recently come into existence
2. made or become fresh

“New” according to the Strongs concordance

1. especially in Freshness

A Fresh and brand new year in existence, a new and clean slate. What a Hope that brings, like a brand new start.

When a baby is just born, they are given a name and have so much potential in life. Salvation is exactly the same way. When you accept Jesus Christ as Lord, repent and ask Him into your heart you are now new to existence. You are a new creation, fresh with a clean slate, given a new name in Heaven and, you too, have so much potential.

“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.”

2 Corinthians 5:17 KJV

And If you are a Christian and you desperately need a new start or a “do over”, Scripture says in Psalm 51:10 KJV

“Create in me a clean heart, O God; and renew a right spirit within me.”

Renew means to rebuild or repair.

The Lord’s Mercy is **new** every morning, so we as Christians can be **renewed** every day!!!
Great is God’s Faithfulness!

“It is of the Lord’s mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.”

Lamentations 3:22-23 KJV

Our family is looking forward to a few new things happening this year, both in ministry and for Jacob:

The Lord has added three new churches to our calendar so far. We are looking forward to this wonderful opportunity.

The ventilators Jacob has been on for 11 years were recalled and he had to switch to new ones. It was quite the process with several delays, insurance battles and many adjustments to get everything just right for him. Jacob was nervous as he explained, "it feels like a lung transplant, something totally new is breathing for me and it can feel very different." But after all the effort Jacob is thrilled with the new and improved even freeing up space on his chair as these new ventilators are half the size of the old ones.

Lord willing, in March, we will start the process of getting Jacob a new wheelchair. Jacob's insurance allows for him to get a new chair every five years. Jacob has had this one for 11 years. It still works well but we are on borrowed time and don't want to see his chair go down without something else in place. The wheelchair is his mobility and helps him preach with freedom.

Please help us pray:

1. A smooth process for Jacob's new wheelchair
2. Many souls to be saved in 2025
3. The Lord to send more financial supporters in this new year, even if He provides a few to give \$10, \$20 or \$25 a month would be a huge help.

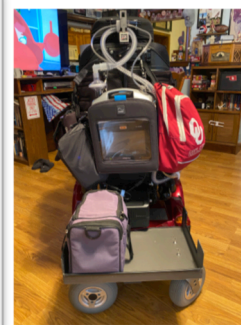

Thank you for all those who continue to partner with us and for those who became a new faithful supporter in 2024. We simply cannot operate without you.

Jacob preaching a youth revival in Gastonia, NC. Holding up their Bibles when asked, "Whats in your hand?"

A police officer getting saved! Said Jacob's obedience to God while preaching saved his life.

Jacob loves his new ventilator!
